

LIST OF POTENTIAL ROADS FOR ADOPTION

Effective 2/24/2011

The following is a list of roads Montgomery County Department of Transportation (MCDOT) has identified as good candidates for adoption. Because of the large inventory of roads throughout Montgomery County and the many volunteers that adopt weekly, there may be a few roads that are available but not identified yet and roads that are on this list that may be already adopted so pick 2-3 roads when sending in the application. **This list is updated monthly.**

The Adopt-A-Road program allows citizens and businesses of the County to participate in a community activity by keeping roads clean and litter free. Currently, there are over 290 participants in the program who have agreed to keep the road of their choice as clean as possible, with at least four major road clean-ups per year. In exchange for their cooperation and participation, a sign bearing the name of the organization or individual may be erected to recognize the participant. However, a sign is not necessary to participate in the program. Also, if a neighborhood or individual submits a complaint regarding the placement of a sign, it may be taken down. (read guidelines)

This program helps in minimizing the accumulation of litter and debris in the public rights-of-way. When left uncollected, litter and debris will be washed into the storm drains, and ultimately into the watersheds that feed into other water systems. Since the County has no funded litter collection program, the Adopt-A-Road program is a valuable tool in helping to keep our roads and streams environmentally healthy. Roads that have a number are owned by the State and have a separate program - *Adopt A Highway* contact 301-948-2477.

If you would like to adopt one of these road segments, contact MCDOT's Community Outreach office at 240-777-7155 or mcdot.outreach@montgomerycountymd.gov and request an Adopt-A-Road application.
